Dear Friends,

Thank you for considering my photography services for one of your most important days, your wedding.

It is your day, the day you and your loved ones have been waiting for, and it will be an honor for me to record your joyous occasion.

On the wedding day, I usually start photographing around three and one-half hours before the wedding, and then I cover your ceremony and the reception (up to 9 hours of photo coverage).

For viewing and ordering prints, all images from the wedding will be posted online for two months.
